

Shark Identification

- Event:** Shark Identification
- Participation:** Team of 6 Pathfinders
- Equipment needed:** Provided by Conference at Event. See attached.
- Objective:** To identify 10 species of Sharks.
- Time allotment:** Two minutes maximum
- Directions:** The pathfinder team will line up at the start/finish line and on the command of “**Start**”, the team will run up to the Shark Identification board where they will find a bucket with the shark names in it. The team will then place the appropriate name under each shark picture. As soon as the team has completed the task they will return to the finish line while the coordinator/judges will check for any errors and give a score.
- 1st place 10 correct matches**
- 2nd place 8-9 correct matches**
- 3rd place 7 and under or not completed in under 2 minutes.**

Note: This is one of the steps necessary to earn the Shark Honor. The honor requires that the pathfinder correctly identify 10 shark species.
